The PRO System includes the following:

- HD Upper Junction box	\$1260
- HD Centerpost	\$3150
- Monitor (includes frameline generator)	\$14400
- Level Sensor	\$900
- Monitor Arm	\$562
- HD Battery Module (includes recorder mount)	\$5220
- Donkey Box III	\$4050
- VZ Gimbal	\$6255
<i>Upgrade using current gimbal</i>	\$2565
- Vest	\$4950
- Sled Case (Fiberglass)	\$475
- Battery Case (Fiberglass)	\$400
- Arm/Vest Case (Fiberglass)	\$400
- Generation II Sled Upgrade to HD Sled	\$3825

Please note:

- a. Batteries are not included in this quote – our system utilizes Anton Bauer Batteries. We recommend using Anton Bauer Dionic 90's. These can be purchased from GPI for \$495.00.
- b. The Anton Bauer Dual #2722 Simultaneous Powercharger with DDM installed may be purchased from GPI for \$1,395 each.
- c. The PRO Arm is not included in this quote (see Arm Price List).
- d. The accessories are not included in this quote (see Accessory Price List).
- e. Camera cables are not included in this quote (see Cable Price List).
- f. A delivery date for a sled is dependent upon when a confirmed order is placed.

PRO Arm Price List

Recommended Packages:

PRO Arm including 8 Spring Canisters: 4 light & 4 heavy (for load capacities from 13-72 lbs)	\$21,500.00
PRO Arm including 6 Spring Canisters: 4 light & 2 heavy (for load capacities from 13-63 lbs)	\$19,500.00
PRO Arm including 4 Spring Canisters: 2 light (blue) & 2 heavy (black) (for load capacities from 39-63 lbs)	\$18,250.00

The 63lbs will carry approximately 7lbs more than the 3A gold spring arm rated at 56lbs. With 2 light and 2 heavy canisters the PRO ARM can carry any standard 35mm camera with a 400' magazine and any prime lens under 200mm.

Camera examples all with mat box and 400ft magazine:

- Moviecama Compact with just about any Prime Lens.*
- Panavision Millennium with Primo Lens*
- Arri 535B with just about any prime lens including the new Ultra Primes.*

Components (if purchased separately):

PRO Arm Chassis	\$16000
PRO Arm Spring Canisters (light or heavy spring)	\$2200 ea.

Please note:

- All arm package purchases include an arm bag, a spring bag, and a spare parts kit.
- All non-arm package orders of 2-4 Spring Canisters include a spring bag.
- Lifetime structural warranty on chassis excluding normal wear and tear.
- 1 year warranty on all Spring Canisters excluding normal wear and tear. (Warranty on Spring canisters is void if disassembled).
